

# Test & Trust

*-Test First and Trust Always*

Team 3:

-Ritwika Ghosh

-Machanagari Neetha

-Boggarapu Shiva Ganesh

-Dodda Krishna Kaushal

-Molaka Nanda Kumar

## About Test & Trust:

- ❑ E-commerce platform for sample-size products from emerging and established brands.
- ❑ Helps build trust between brands and customers.
- ❑ Offers affordable testing quantities before full-size purchase.
- ❑ Encourages trial-based shopping before brand loyalty is formed.
- ❑ Covers categories: Bath & Body Hygiene, Fragrance, Makeup, Haircare, and Skincare.
- ❑ Products available for both men and women.
- ❑ Targets a growing market of conscious, experimental buyers.
- ❑ Features real customer reviews and ratings.

# Use cases:

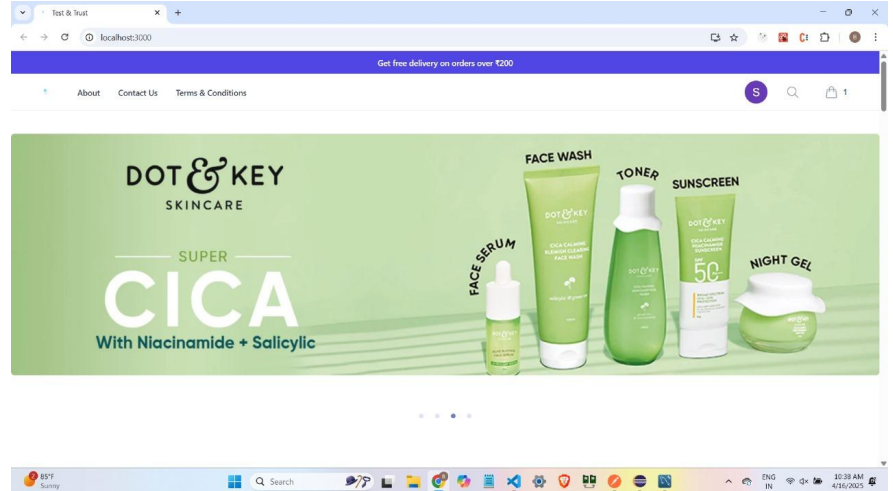

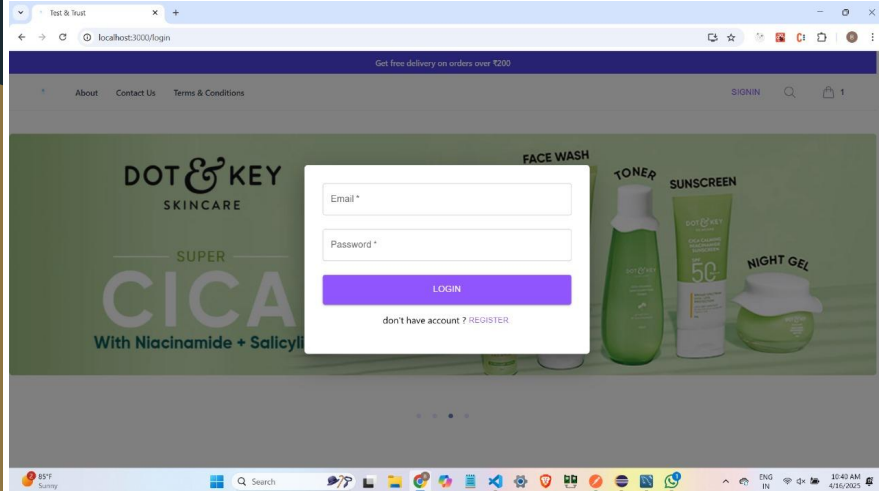

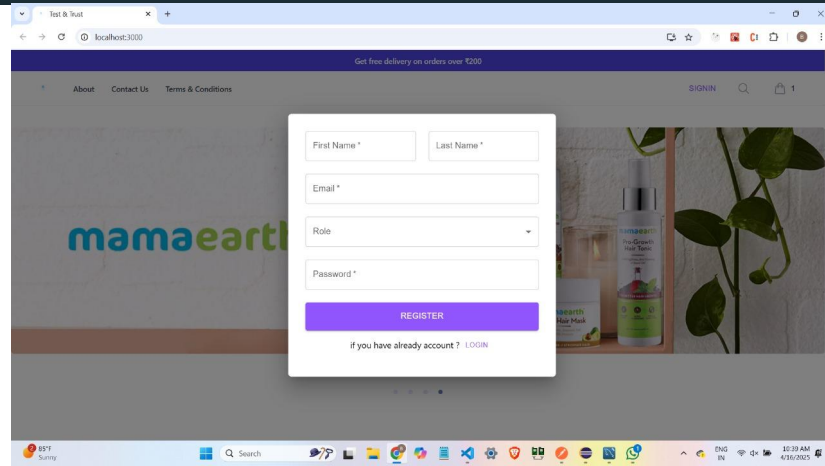

As a customer I can,

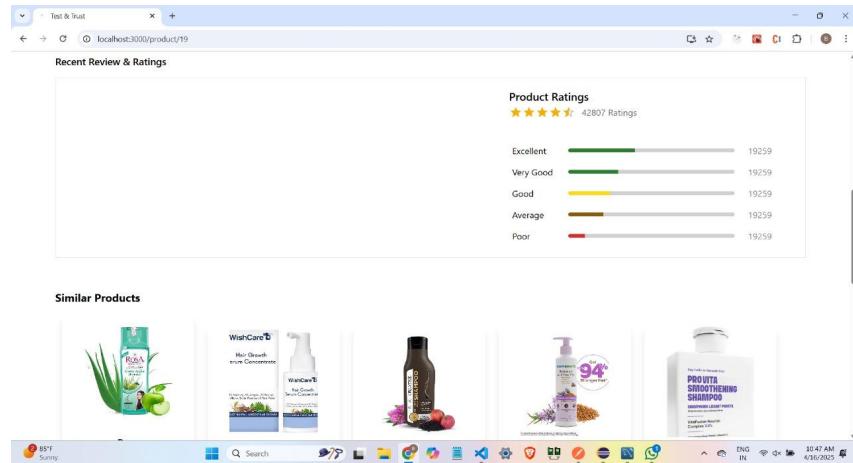

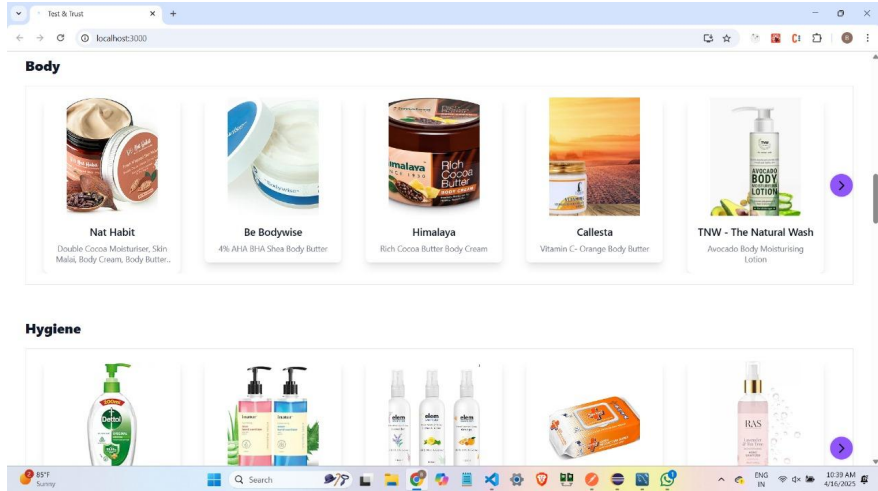

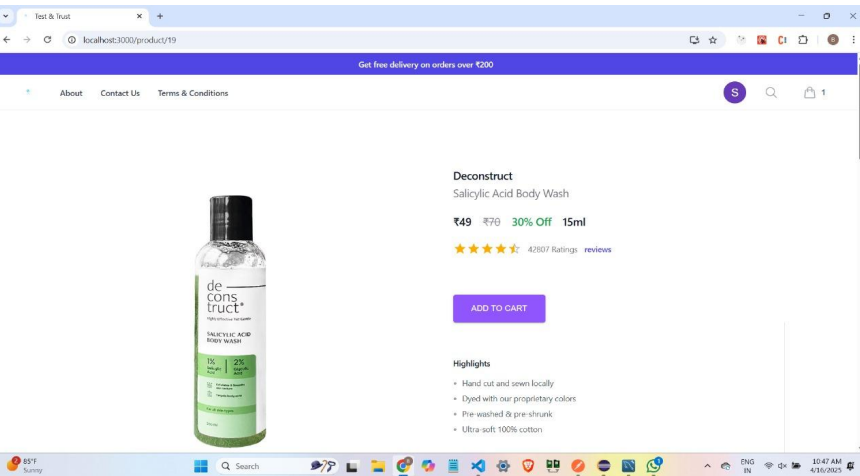

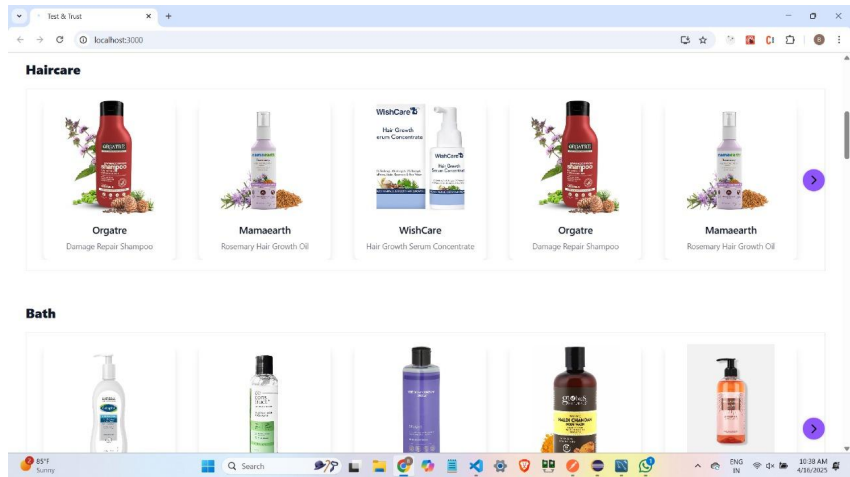

- ☐ Register and Login to the website using my username and password.
- ☐ Browse products in categories- Skincare, Haircare, Makeup, BathBodyHygiene, and Fragrance.
- ☐ Search for particular products.
- ☐ View individual sample products and add them to cart.
- ☐ Enter personal details and address during checkout for placing an order for a few selected samples.
- ☐ Can do payment through Razorpay.
- ☐ Can view order history.
- ☐ Can rate and review the products.
- ☐ Logout securely after completing my session.

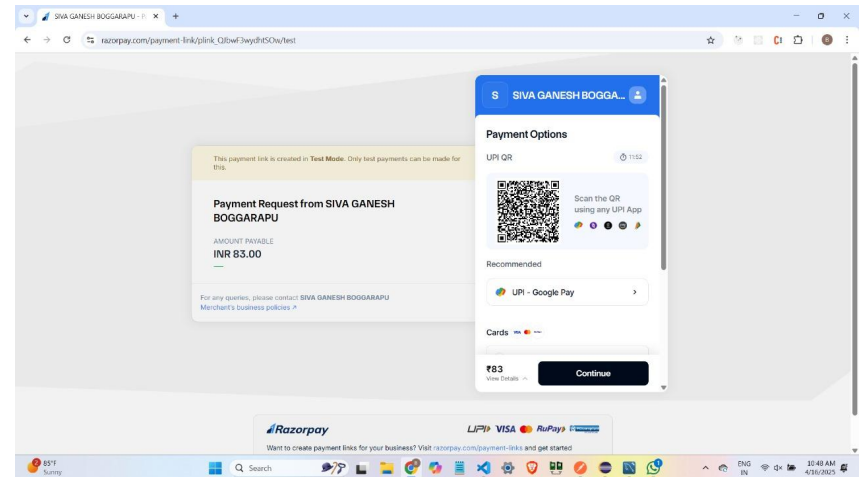

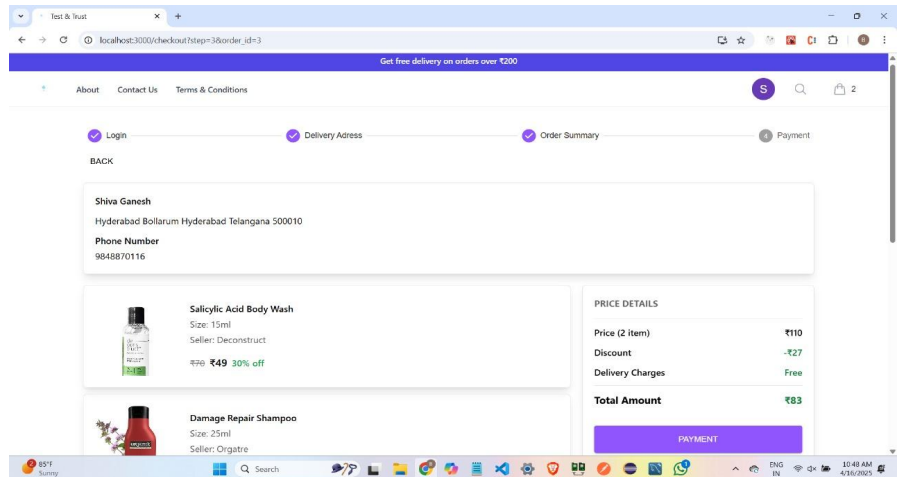

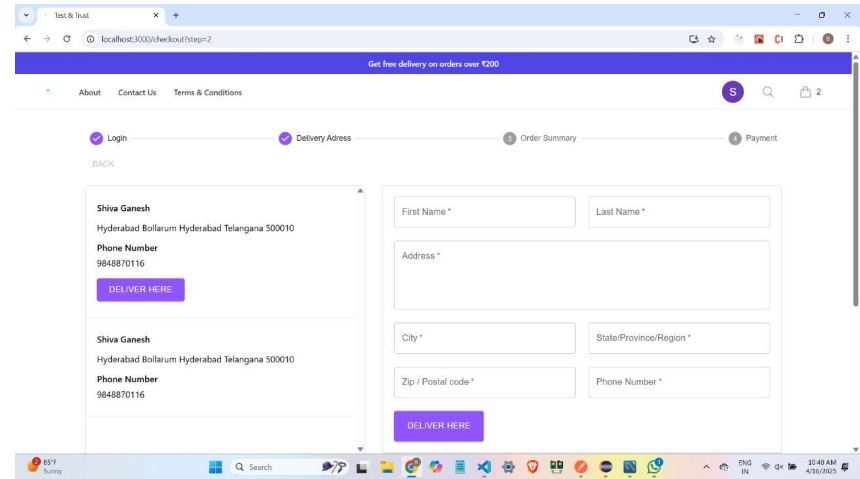

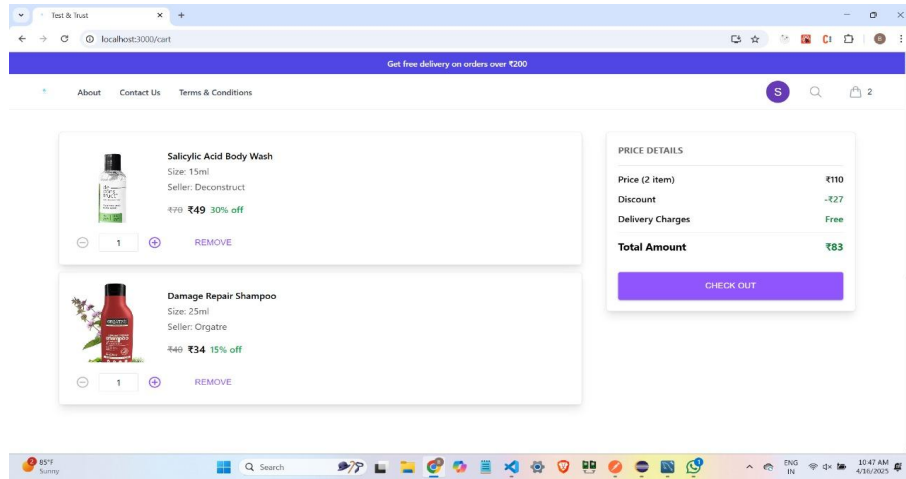

# Use cases:

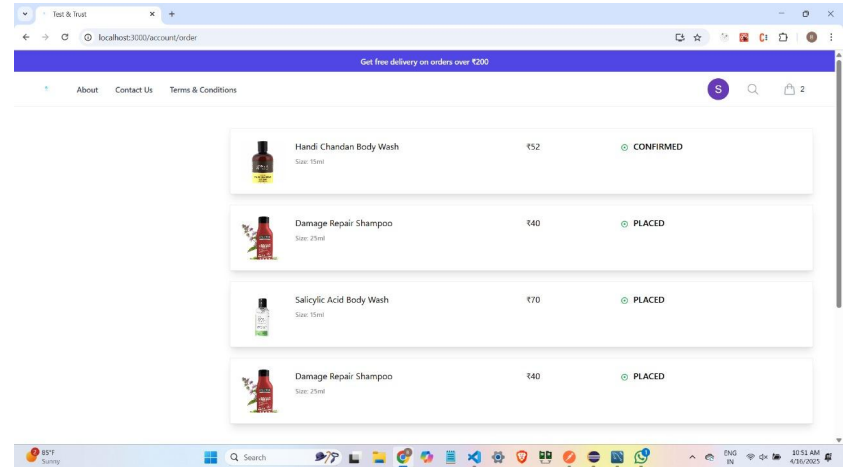

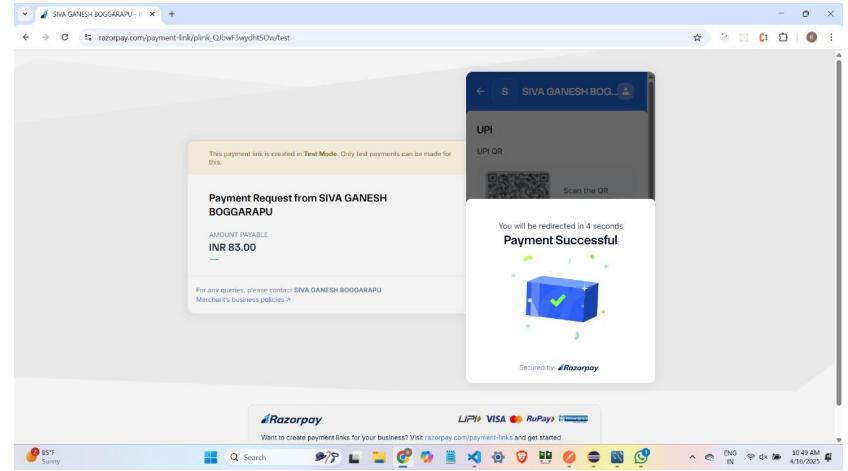

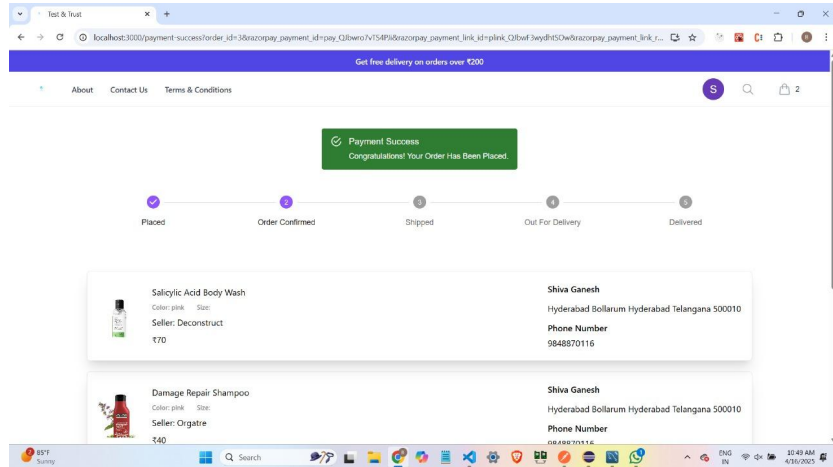

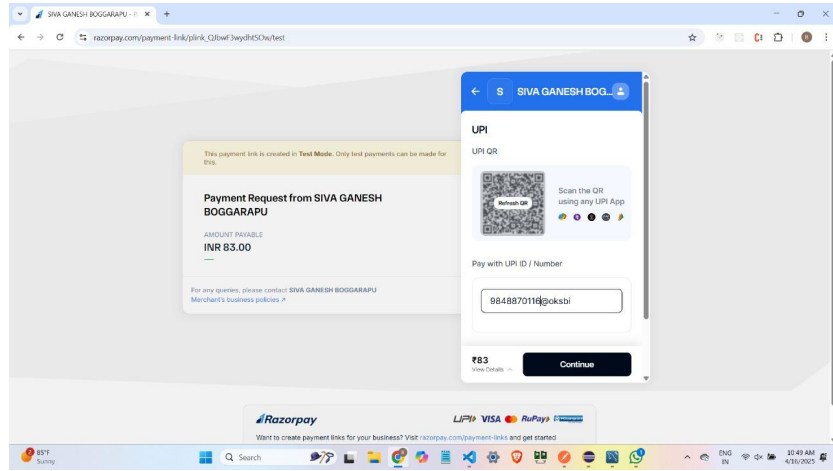

As an admin I can,

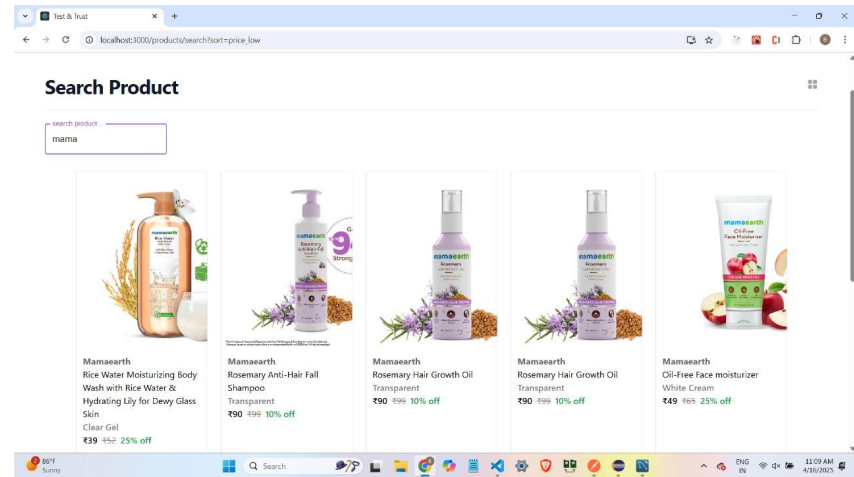

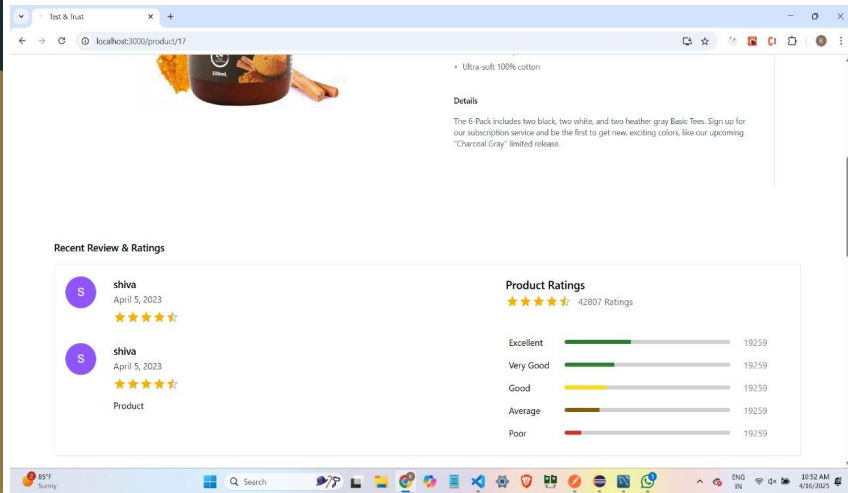

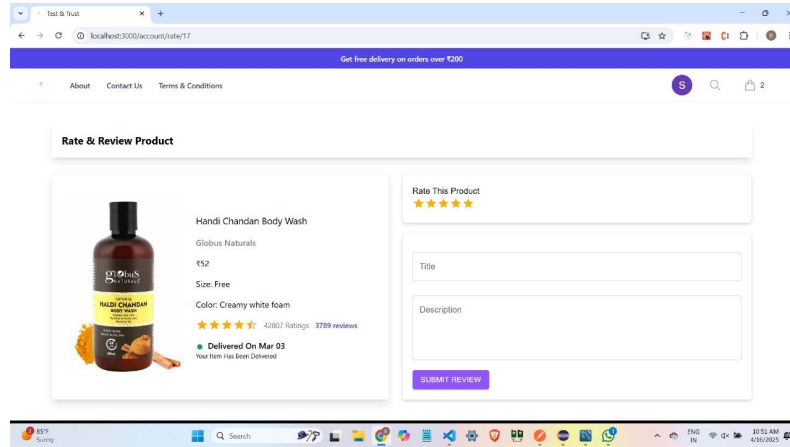

- ❑ Login to the admin dashboard using my username and password.
- ❑ Add, update, or remove products under categories like Skincare, Haircare, Makeup, Bath & Body Hygiene, and Fragrance.
- ❑ Handle user orders.
- ❑ Handle user details.
- ❑ Logout securely after completing admin tasks.
